2. You are loving
And forgiving.
In our hearts You reside.
You are seeking
Man's believing.
Let Your love through us shine.
Lord, may we love one another.
Gain the church of Your desire.
We're revived to serve You
As we are filled with love.

3. You love all men,
All Your children,
Even our enemies.
Lord, Your love will
Keep enduring
For all eternity.
Pour out Your love so prevailing,
All-inclusive love, unfailing.
Build us up together
In Your eternal love.
