

Christ is the Tree of Life

Experience of Christ — As Food

(Guitar)

1. In the be-gin - ning we can see God placed man in front of two different trees— The
tree of life and the tree of knowl - edge Of good and e - vil.
One leads to life by eat - ing Him. And the oth - er leads to deadness and sin. So,
feed on Christ! Don't be sat - is - fied with be - ing good and le - gal.
Chorus
(C) Christ is the tree of life. He's our life sup - ply.
Let's choose the way of life! Take Him in
By en - joy - ing Him! O - pen deep with - in.
1. And on His life de - - pend.
2. And on His life de - - pend. Eat the tree of life.

2. Now everyone can feast on Him!
Open deeply and be filled to the brim!
Partake of Christ as the tree of life.
Express Him together.
Give Christ the first place in our hearts.
As we love Him all His life He imparts.
In spirit He fills eternally!
Satisfied forever!
