2. Christ the all-inclusive land,  
So vast, unsearchable,  
Bountif'ly supplying us—  
His riches we enjoy.  
With the saints we walk this land;  
We labour on this Christ.  
Lord, enlarge our borders to  
Receive the glorious prize!

3. Faithfully we come to God  
Before the throne of grace,  
Filled with Him and serving Him,  
Beholding face to face.  
Minist'ring this Christ to all  
As gospel lab'ring priests,  
We then offer man to God—  
His Body is increased!

4. God the Spirit comes to us  
Abundantly as grace.  
We can live a kingly life,  
And over sin we'll reign!  
Limited, restricted, in  
This age we're being trained;  
In the coming kingdom age,  
As kings with Christ we'll reign!
