Experience of Christ — As Light

(Guitar: Capo 3)

1. Our God wants to re - turn, He is
wait - ing for those Who like Jo - seph and like Paul
Will learn the se - cret How to
lack or a - bound, How to trust and sub - mit,
How to live the reign - ing life And
speak all that you see.

Chorus
(C) God said, You are the salt of the earth You are the light of the world.
In this dark age you shine As lu - mi - nar - ies in the heav -
ens. But we shine not from our - selves; We be - hold and we re - flect
The glo - ry of our Lord.

2. Often we are distressed,
In a pit or slavery.
But we're not there on our own;
Jehovah's there with us,
And He is working the most
When it seems like all is wrong,
When we are very low,
He supplies and cares for us.
