The Church — Her Attraction

(Guitar)

1. The king - dom of the heav - ens is a mer - chant
 Seek - ing fin - est pearls in the world;
 sin - gle pearl He found of great - est val - ue,
 He sold His all and bought it.
Chorus
 (C) Christ loved the church, He paid the price for
 her. He knows her all - sur - pass - ing worth, And
 I too give my all To gain His pearl.

2. A pearl is something transformed in death waters,
 Not something created by God.
 The church is nothing natural, but she's processed
 Through death and resurrection.

3. Once just a little rock or grain of sand, we
 Wounded Christ who died on the cross.
 Our sinner-loving Savior, He embraced us—
 Secreted life around us.

4. Although we wound the Savior, never leave Him.
 In His wound remain, make Your home.
 He'll keep dispensing resurrection into us,
 Transform us to His treasure.
