2. Lord, I have no confidence  
 In who I am or what I do.  
 Only You are able to  
 Endure and overcome;  
 Sustain with just one word.

3. How we need Your life each day  
 To wash our oldness all away.  
 Renew me to be Spirit-filled;  
 By your abundant grace  
 We will run this race.

4. Shining in the darkest hour,  
 Comfort us in every trial;  
 Hold us in Your very hand,  
 The Body life is real,  
 Oh Lord You are so near.

5. Saving us from emptiness,  
 Broken cisterns holding less,  
 Deceitful riches, grasping air,  
 Only You are preciousness.  
 We will love You with our best.

6. Lord we praise You for Your way  
 To free the flow of life each day  
 In every joy or suffering  
 Experienced, not vain—  
 We would not be put to shame.

Let our Amen sound again—  
 Let our Amen sound again—  
 Let our Amen sound again—  
 Amen, Amen! Amen, Amen!  
 (Amen Amen! Amen!)
