2. I discovered that spring was the Lord Jesus Christ—
He died for me and He's alive!
Of my sins I was forgiv'n,
But much more He had in store—
His very own life to give!
Where then does He give life? Well the Bible tells:
In my spirit where Jesus dwells!
Raised from death, He became breath,
Water too, even true food—
He's processed to live in me!

Christ lives in me
As the Spirit reaching me!
This my song, all day long:
Life is flowing free!
He's flooding me
As a river ceaselessly!
This my God, to me brought:
The processed Trinity!

3. If you haven't yet found what your heart's looking for,
Come and listen to His own word:
"Whoso drinks shall by no means
Ever thirst; in him will burst
A fountain of life divine!"
Come, oh come see this man! Is He not the Christ?
He came that you would have His life!
Just believe, then you will see
He's so real, living, and free—
A genuine prayer's the way:

Christ lives in me
As the Spirit flowing free!
Yes, in me! I believe!
Take a drink and see!
Christ lives in you!
He's the living water true!
We're filled with Him to the brim
For eternity!
(repeat chorus)
