

Young David

Encouragement — For Fellowship with the Lord

1. Young Da - vid had a sweet re - la - tion - ship
 With Je - ho - vah, whom he loved. Da - vid knew the
 Lord as his Shep - herd And His ten - der care from a - bove. (C) Let's
 sing (Let's sing) and praise Je - ho - vah! He's so rich and mar - vel -
 ous! "Thou art lov - ing, ev - er so faith - ful!
 O dear Lord, in Thee we trust!"

2. The Lord "sought a man according to His heart,"
 David, as Jesse's eighth son.
 Even though "he was but a youth,"
 He was God's anointed one.
3. When David found himself in deep distress,
 To Jehovah he would cry:
 "O Jehovah, Thou art my refuge,
 And my source of endless supply!"
4. As David fought "the battles of Jehovah,"
 God was his strength and shield,
 And the rock of his salvation;
 He called, "O Lord!" the vict'ry to wield!
5. The Lord appointed David as ruler,
 Over God's people as king.
 He would serve according to God's counsel,
 Writing psalms that now we can sing.
