

Count All Things Loss

Experience of Christ — As Life

(Guitar)

Chorus

(C) But what things were gains to me
I count - ed loss on ac-count of Christ;
To gain Christ, found in Him,
Righ - teous through the faith of Christ.

1. All I once held dear, now I lay it down, For the
sake of Christ, trade my earth - ly crown. Righ - teous -
ness I seek— not my own so vain, But that
which through faith in Christ I gain.

2. Not by works I stand, but by grace alone,
In His mercy shown, love to me made known.
Found in Christ my King, in His truth I 'bide;
In His righteousness, I'm justified.
3. All the world may claim treasures bright and bold,
But in Christ alone, I have wealth untold.
Not by past or pride, nor by things I've done,
But by faith in Him, the victory's won.
4. Pressing on I go, leaving self behind,
With my eyes on Him, true life now I find.
All my worth and gain don't deserve my care;
Nothing with the love of Christ compares.
