

Now the church life is all one piece

The Church — As Our Home and Rest

(Guitar)

1. Now the church life is all one piece, one big fam - i - ly With all
ag - es and stag-es for God's tes - ti - mo - ny; Don't be both-ered by naugh-ty ones who
kick and scream— Just like Jo-seph, we have a heav'n-ly vi - sion, a dream!(C) What a
won - der - ful church life we are liv - ing to - day! With the saints of all ag - es, Christ in
us we'll dis-play! Eat-ing, play-ing, ex - horting—we're God's fam - i - ly; Ev - ery -
one has a func - tion to build up cor - p'rate - ly!

2. Children are the Lord's heritage, so dear in God's eyes!
Just like arrows in quiver aimed for Satan's demise!
Even though they might trouble us and vex our soul,
We must learn to recover them and not let them go!

3. Lord, we thank You for all the ones You've placed here with us
To express You and represent You—how glorious!
Chosen vessels, containers to be filled with You;
Let's keep fighting, dispensing with God's purpose in view!
