The Church — As Christ's Bride

(Guitar)

1. The Bi - ble is a ro - mance of God in love with man, And  
this fan - tas - tic ro - mance through - out all time will span; This  
u - ni - ver - sal ro - mance is Christ, our Bride - groom dear, And  
His re - deemed be - liev - ers, once far but now made near.  
**Chorus**  
(C) O - ver - com - ing be - liev - ers o - ver - com - ing each day!  
Bless - ed are those who are called to the mar - riage on the way! A  
wed - ding feast is wait - ing in the king - dom of the Son For the  
bride has made her - self read - y, bless - ed are those who come!

2. The wife, the Bride of Jesus must seek to, ready, be,  
To be mature in life and be builded corp'rately;  
This bride is full adorned with the pearls and precious stones,  
And plaits of gold her nature, the triune God, her own.
3. This precious bride is clothed with fine linen, bright and clean,  
The righteousnesses stitched by the Lamb within our being;  
A Christ lived out each day is an overcoming life,  
'Tis right and pure and holy; to her to live is Christ.
4. The overcoming life is not ours by natural strength,  
But by Christ's resurrection, Christ's depth, and height, and length;  
For by the Lamb's redemption we taste this feast of grace  
And through organic salvation grow through each test we face.
5. The overcoming strength is not in how hard we try,  
But living every moment, the extra oil to buy;  
Christ's overcoming life pours out from His pierced side,  
The Spirit and the Bride say, "Come now and be My bride!"
