

# It Is a Small Number

Consecration — Separated unto the Lord

(Guitar)

When the Lord Je - sus was on earth, Great crowds followed Him. Mul-ti-tudes were saved and healed, And mul-ti-

tudes re-ceived the fa-vor of God. E - ven-tual-ly, how - ev - er, there were on-ly a - bout One

hun-dred and twen - ty in the up - per room (upper room). The crowds, the mul - ti - tudes, Did not af -

ford the Lord Je - sus An-ything for His move, for His move. The Lord's

move was with those In the up - per room, the up - per room, With those whose eyes had been O - pened and whose

hearts had been touched. This small num - ber came in - to the up - per room to be burned, And then they

turned the whole world up - side down. It is a small num - ber who will turn the

world up-side down And change the age, those in the up - per room. Drunk with the heav-en-ly vi-sion,

Married to the heav-en-ly vi - sion, Lord, we're willing to be in the upper room. We'll pay the price, O Lord, to

turn the age. Drunk with the heav - en-ly vi - sion, Married to the heav - en-ly vi - sion,

Lord, we're willing to be in the upper room. We'll pay the price. O Lord, we'll turn this age.
