

Everything to Me

Experience of Christ — As Everything

1. Some - times the world makes me frown,
And all a - round me press - es me down,
But then I hear the voice of my
Lord; He calls with - in, "Come to My
word. Pur - sue Me and know Me as your
God, That I may be ev - ery - thing to you."
Chorus
(C) Now I call up - on Your name, And my
spir - it is fanned in - to flame. Though
si - tu - a - tions stay the same,
Peace, rest, and joy now I claim.

2. O Lord, now I realize,
Today I am being energized.
Your word has come to give light and life,
Freed me from my struggle and strife.
Lord, feed me, supply me, grow in me,
As You become everything to me.
