

Go On Today

Encouragement — For Pressing On

(Guitar: Capo 3)

1. When the bur - den feels heav - y, And strength seems so small,
Si - tu - a - tions press in strong - ly, And you can do noth - ing at
all, Do not be dis - cour - aged,
For you are not a - lone—
Christ now lives in you, mak - ing His home.

Chorus
(C) Though tri - als sur - round you and clouds hide the way,
Go on in the Lord— do not fal - ter or
stay; Not moved by con - di - tions, nor shak - en with -
in, Christ now lives in you; let Him bring you
on. Just call on His name, let His life have its say,
He'll bring you through— so go on to - day.

2. When you face persecution,
Rejection and scorn,
Others hide, the way abandon,
It seems you are left all alone,
Do not be discouraged,
You never are alone—
Christ now lives in you as His sweet home.
