

Like a lily in sun's warm light

Experience of Christ — Trusting Him

(Guitar: Capo 3)

1. Like a li - ly in sun's warm light, Qui - et in His ten - der
care, We are held in His gen - tle sweet sup - ply - ing, Clothed with beau - ty
rare. Not by striv - ing nor ef - fort vain, But by life that fills with -
in, We seek Him in His king - dom, And all our fears grow dim.
See the re - flect - ing lil - ies shine, At rest in His glo - rious light.
By ten - der, con - stant flow - ing, Je - sus fills and sat - is - fies.
In His sup - ply - ing cor - p'rate Bod - y, We build with Him as one; He
leads us and He shep - herds us Till His work all is done.

2. Lord, renew all our inner being;
Make us single, pure and true;
By Your life within still work
And make our spirit whole for You.
In Your love, in Your presence, Lord,
Keep us close to You each day;
In tender, faithful caring,
Lord, guide us in Your way.
We set our mind on Your intention,
Join You in life as one;
As lilies in Your shining light,
We make Your beauty known.
By Your dispensing, daily flowing,
Clothed with Your grace and love,
We are transformed, conformed
To the image of God's dear Son.
