The day approaches; Jesus soon is coming (New Tune)

Hope of Glory—Preparing for Christ's Return

1307

(Guitar)

Oh, keep us running forth to meet the Bridegroom

When Jesus comes, will we be in His presence? When Jesus comes, will we His face behold? Oh, let us not return to sloth and folly, But jealously His loving presence hold.

And patiently attending to the race.

2. Lord, help us to redeem these golden moments; 4. As His dear Bride, let us go forth to meet Him, Our vessels fill with ointment from above; Our lamps well-trimmed, our fires burning bright, Help us amen each trial and tribulation; Our vessels filled, our eyes set on His glory, Increase in us; make us abound in love. To be with Him completely satisfied. He's coming soon-these moments are so precious. Yes, satisfied—Christ and His Bride together. The oil is here—Oh, let us buy the more. Yes, satisfied-throughout eternity. Amen the trials and welcome tribulations-Oh, what a rest, what joy, what love, what favor The kingdom's ours through these afflictions sore. To be His Bride when He comes to His feast! 3. Lord, ever turn us from our soulish pleasures To gaze upon Thy tender, loving face.
