2. Now there are choices

Now there are choices
And ev'ry day—so many choices I must make.
Shall I stay or shall I go?
Shall I say “yes,” or is it “no?”
The choice is mine in what I do and what I say.

3. I have a free will

To make my choices.
What will I do with this responsibility?
If I can choose just to obey
Whatever older ones might say.
That's what I'll do with this responsibility!
