**Our God is so big**  
_Gospel—God's Creation_  

(Guitar)

Our God is so big, So strong, and so migh-ty— There's noth-ing our God can-not do. 

That's right!

Our God is so big, So strong, and so migh-ty— There's noth-ing our God can-not do.

The moun-tains are His; The val-leys are His; The stars are His hand-i- work, too.

Our God is so big, So strong, and so migh-ty— There's noth-ing our God can-not do.  

That's right!
