

Gathered round Thyself, Lord Jesus

Praise of the Lord — Remembrance of Him

229

(Guitar)

1. Gath - ered round Thy - self, Lord Je - sus, We now seek Thy face;
May we know Thy pre - sence with us, Lord of grace!

2. Love divine first drew us to Thee,
In our sin and need;
For our sin, in deep compassion,
Thou didst bleed.
3. Risen Lord, in glory seated,
We are one with Thee;
Thou hast snapt the chains that bound us,
We are free.
4. Gratefully we Thee remember
As we break the bread,
Symbol of Thy body given
In our stead.
5. Drink we too "the cup of blessing"
Which Thy love has filled;
Through Thy blood we have redemption
Fears are stilled.
6. Backward look we, drawn to Calv'ry,
Musing while we sing;
Forward haste we to Thy coming,
Lord and King!
