In the wilderness for God (Alternate Tune)

Longings — For God as Life

352b

(Guitar)

G		C	G	C		D	
1. In	the wil - der - ness	for	God!	Just	a com - mon	bush	a - flame!

G		C	D	G	C	D	D^7	G
Thus	may I be,	bless - ed	Lord,	For	the glo - ry	of	Thy	Name.

2. Just a common bush to be,
Something in which God can dwell,
Something thru which God can speak,
Something thru which God can tell.

3. All His yearning over men,
All His purposes of love,
Flaming with no light of earth,
But with glory from above:

4. God Himself within the bush,
Nothing seen but just the flame;
Make me that, just that, O God,
For the glory of Thy Name.
