

Changed into His likeness

Longings — For Likeness to Christ

399

(Guitar)

1. Changed in - to His like - ness! This my heart's de - sire!
May the Lord ful - fill it, All my soul in - spire.

2. Changed into His likeness!

He the Spirit is!
If the Spirit governs,
He'll fulfill my wish.

3. As a glass, beholding
With uncovered face,
I can see His glory
And reflect His grace.

4. O that no more covering
May the Lord obscure,
That I may reflect Him
With a heart made pure.

5. Gazing on His glory,
Face to face to see;
Constantly beholding,
Ever would I be.

6. Changed into His likeness!
This my heart's one quest!
From my heart reflected,
He will be expressed.

7. Changed into His likeness
And reflecting more
Glory unto glory,
Boundless evermore.
