(Guitar: Capo 3)

1. He has entered! He has entered! Every guest may now depart; He has taken all the chamber Of my once di - vided heart.

2. He has entered! He has entered!

Vanish every doubt and sin;
He has taken full possession,
He is Lord of all within.

3. Long at my poor heart He tarried,
Knocking with His wounded hand;
Wide at last to Him I opened,
Yielding all to His command.

4. He has entered! He has entered!
Every sorrow now must flee;
Where He reigns as King and Master,
There no grief can ever be.
