2. O blessed life, the mind that sees,
Whatever change the years may bring,
A mercy still in everything,
And shining through all mysteries.
3. O blessed life, as spirit soars,
When sense of mortal sight is dim,
Beyond the sense, beyond to Him,
Whose love unlocks the glorious doors.
4. O blessed life, heart, mind, and soul,
From self-born aims and wishes free,
In all at one with Deity,
And loyal to the Lord's control.
5. O life, how blessed, how divine,
High life, the earnest of a higher;
Savior, fulfil my deep desire,
And let this blessed life be mine.
