Depth and height and breadth and length, Boundless, rich, to me conveyed From age to age!

2. Length — that caused my Lord to die,
Breadth — salvation to apply,
Height — He raised me to the skies,
Depth — He comes to be my life,
Oh, Christ's great love!

3. Length — that I forgiveness gain,
Breadth — His grace I now obtain,
Height — I share His heav'nly throne,
Depth — in me He makes His home,
Oh, Christ's great love!

4. Length and breadth immeas'urable,
Height and depth unspeakable,
Yet 'tis by these words described:
"Breadth" and "Length" and "Depth" and "Height"—
Oh, Christ's great love!
