Chorus

2. O Golgotha! Good Golgotha!
I died there with my Lord;
His crucifixion has released
The burden I once bore.

3. O Golgotha! That empty tomb
Included me as well;
His resurrection too I share,
I hear no deathly knell.

4. O Golgotha! There Satan's hosts
Were by my Lord abashed;
In His dear name that worldly king
Under my feet is smashed.

5. O Golgotha! There Jesus' name
Sufficed me in that war;
There Satan fled, for by that Name
I triumph evermore.

6. O Golgotha! I praise Thee, Lord,
For death was suffered there;
Released His life, redeemed my sins,
I'm freed into His care.

7. O Golgotha! I want to learn
All that indwells in Him;
By faith included in His work,
I'll stand now firm with Him.
