2. Through shadows, types and figures,
God's deepest thought is known;
As typified by Adam,
The Husband, Christ, is shown.
A rib brought forth from Adam
Reveals the source of life
By which God built a woman:
Eve, as the church, His wife.

3. To be His people's Husband,
To take them as His wife:
This is what God desires
To live in marriage life.
Their sacrifice and worship
Alone could not content;
But with them to be married
Was God's foremost intent.

4. This romance is the finest
As seen in Song of Songs;
For her Beloved's kisses
His seeking lover longs.
Love's work in her produces
No person of her own,
But she becomes the City,
Her Person, Christ alone.

5. Christ is our coming Bridegroom;
We are the Church, His Bride,
Redeemed, regenerated,
The issue of His side,
In source, in life, in nature
And person fully one,
His counterpart forever,
The New Jerusalem.
