(Guitar: Capo 3)

1. Je - sus, Lord Je - sus! Lord, You're rich to all,
 Un - to those who call Your high - est name a - bove all.
 Je - sus, Lord Je - sus! Oh, Your name most pre - cious!
 Lord, You are so glo - ri - ous! Lord, You're so mar - vel - ous!
Chorus
 (C) High - est name a - bove all names! Call on Him and He will save.
 Je - sus, Lord Je - sus, Oh most pre - cious name!

2. Jesus, Lord Jesus!

Why would Christians feel ashamed
 And not call Your precious name?
 That is the devil's scheme.
 Jesus, Lord Jesus!
 All my friends they tell me
 I have changed completely.
 You satisfy me thoroughly.

3. Jesus, Lord Jesus!

Calling Your dear Person,
 Once I was opposing,
 But now I am enjoying.
 Jesus, Lord Jesus!
 Let me call You all day long.
 To the world that's something wrong.
 Your precious name, the sweetest song.

4. Jesus, Lord Jesus!

Oh, the devil's trembling!
 When we all start calling
 The enemy we're crushing!
 Jesus, Lord Jesus!
 Lord, You're not a doctrine
 In the mind for thinking
 But Your dear name's so refreshing!

5. Jesus, Lord Jesus!

How I love to touch You!
 It's by calling on You!
 No other One will do!
 Jesus, Lord Jesus!
 As I call, I'm drinking,
 Triune God partaking.
 Lord, You're my cup of salvation!
