

Christ has come to be life

Various Aspects of the Inner Life — The Fellowship of Life

1. Christ has come to be life, the pro-cessed di-vine Trini-ty. God the Fa-ther's the source, a
 foun-tain e-merg-ing to be. God the Son as a gush-ing up spring, And the Spir-it's a riv-er for
 life im-part-ing Oh how can this mir-a-cle be? The Tri-une God flow-ing in me! Oh, I've got
 rivers of life flowing out of my in-ner-most being! I've got rivers of life flowing out of my in-ner-most
 being! (C) As this life flows through me, I'm sup-plied a-bun-dant-ly. His life nul-li-fies
 sin! Power springs now from with-in! To be free, o-ver-com-ing spon-ta-neous-ly.

2. Yet this life though it frees, is not meant for mere victory.
 God is full of intent and never could flow aimlessly.
 So this life has a totality, a consummate issue encompassing me.
 Life moves and life grows, life shapes as it flows
 Now I share in this life's destiny.
 Oh, I've got rivers of life flowing out of my innermost being!
 I've got rivers of life flowing out of my innermost being!

We'll abide mutually, God and man revealed to be
 Lamb, Wife, Spirit, and Bride.
 Come! Drink! And riverside,
 Grows the tree, our enjoyment for eternity!

3. So I've no cause to frown as one who's received this zoe.
 I know life runs its course and triumphs inevitably.
 I'm required just to stay in the flow,
 If I do the drinking then God gives the growth.
 So there's joy in my heart, and a spring in my step,
 And a smile on my face as I sing,
 Oh, I've got rivers of life flowing out of my innermost being!
 I've got rivers of life flowing out of my innermost being!
