2. In Christ as Spirit You dispense all to me,  
Making me a steward in Your economy.  
Ever faithful to the measure I have received  
To impart You to others, life conceived.

3. Lord, I give You ground to make Your home in my heart.  
Settle down and strengthen every inward part.  
The unlimited Christ experienced by me,  
To others I minister for Your glory.

4. In fellowship with You, my spirit employ,  
Your unsearchable riches I would enjoy.  
Not confine them within, myself to gild,  
But with others share them, Your Body to build.
