Encouragement—For Watching

(Guitar)

1. These are the days, my friend, Time's draw - ing to an end,  
And we must choose, must choose whom we will serve.  
We will fight for the Lord And stand in one ac - cord  
For the de - feat of God's arch en - e - my!

2. These are the days, O saints,  
The heart of man, it faints  
For Satan's work  
that's seen throughout the land.  
So we must count all loss,  
Be one at any cost,  
And give our all for God's recovery.
3. These are the days, my friend,  
The Spirits moving in  
To raise the standard  
up against the foe,  
To show the one new man  
According to His plan  
And draw this generation to Himself.
4. These are the latter days,  
Go forth and sound His praise,  
Proclaim to men  
the kingdom that shall come.  
The army's moving out  
The enemy to rout,  
And Christ will gain His rightful place on earth.
