

# Lord, I do thank You for another day

Longings — For a Closer Walk with Christ

1. Lord, I do thank You for another day  
To practice living You, in You to stay, Lord,  
grant me the grace, Your life mine to replace  
Two lives one, oh what a sweet embrace.

2. Lord, You are glory, You are beauty;  
Divine and human woven utterly  
Have mercy on me, that I may be  
Joined to You, expressing You daily.

3. Lord, be my pattern, humble and lowly;  
Save me from self and pride and vainglory.  
Preserve and keep me, for Your economy,  
Live in me, possess me wholly.

4. Lord, I do love You, operate in me,  
Be my salvation, save me constantly  
To hold forth Your word, life to others afford;  
Shining You, so radiantly, dear Lord.

5. Lord, I'm so saturated with Your joy  
That I am drunken, You as wine enjoy;  
I'd pour out my being, as a drink offering  
Upon You, God satisfying.

6. Lord, my desire is to be found in You  
As lived out righteousness, give me this view.  
Lord, clothe and stitch me, with embroidery  
Day by day, inwrought Your gold in me.
