2. Father with Thee in secret I would meet,
E'er to delight in, fellowship so sweet;
In Thy blest Son, abundant life's supplied,
My empty, broken heart is satisfied.
3. Father with Thee in secret I would meet,
Closed to the world with all its dark deceit,
Only the fragrance of Thy lovely Son
Passing between us, He our rest becomes.
4. Father with Thee in secret I'd remain,
Letting Thy light my thoughts and will make plain,
Thy Son, my only plea, I now embrace,
Sheltered in Him from my unholy ways.
5. Father with Thee in secret I would be,
Seeking Thy will's fulfillment thus to see,
Christ as the first in all things big and small;
Heaven and earth Thy glory shown to all.
