in me the seed of life that grew From sin-ner, poor and blind To New Je-ru-sa - lem.

(C) I love You more With all my heart, with all my soul, (Oh, Love

di-vine) With all my strength, with all my mind; Sweet, sweet re-pose.

2. Are You the One my heart has known?  
Are You the One, my spirit has richly grown to love?  
Oh come, Beloved  
And with my lips, shall I confess  
That deep in You my heart found rest  
And peace as ocean's depth?  
Oh, fill me with Your breath!
