

# We turn our hearts to You, Lord

Longings — For Christ

(Guitar)

1. We turn our hearts to You, Lord. Make us all so true,  
Blend our hearts to - geth - er, Make all things new.  
As we turn a - way From this earth - ly dross,  
What was gain be - fore we now count as loss.  
Ev - ery day we find You liv - ing  
In our spir - it— the full sup - ply;  
How we're blessed that You are giv - ing  
all You are to us in life.

2. As we set our mind  
On You, living One,  
In our spirit, Lord, we find we are one.  
What was once our case  
Seem to slip away  
As we fellowship with You, we long to stay.

3. I would linger here  
In Your presence, Lord;  
How we find our hearts loving You more.  
As we guard our hearts,  
Keep them unto Thee,  
Preserve us, Lord, for all eternity.
