2. Time after time He has called me;
Now His footsteps I'll take willingly;
Lord, leave me no longer unbroken,
Let Your life have its full way in me.
Sow me in the ground;
Resurrection will bud in life!
Then fruit will abound,
Hundredfold 'twill multiply!
Time after time He has called me;
Now His footsteps I'll take willingly;
Lord, leave me no longer unbroken,
Let Your life have its full way in me.
