

Lord, I seek Your will
Longings — For Obedience to Christ

(Guitar)

D		Bm		G		A
1. Lord, I seek	Your	will		And Your will	a	- lone.
D		Bm		G		A
Though there's times I hold my ground				And block	the	way.
G	A		D		Bm	
Lord, wait long - er than I			Un - til Your way	You've gained,		Un -
G	A			D		
til Your way		You've		gained.		

2. This naturalness within
Disguises my intentions.
It's a mixture of soul.
Show me where You lie
And I'll discover there
Alone my hearts true delight,
Alone my hearts true delight.

3. May I not rush the night;
Though signs I may not see,
Yet Lord I trust You will
End my soul's source
And with the morning light
Resurrection will remain,
Resurrection will remain.

4. So I resign this day
The ruling of my life;
Lord, You will meet my need.
Faithful unto God,
You make me so content
When Your heart's satisfied.
When Your heart's satisfied.
