

# We Have a Living Christ

Experience of Christ — As Life

(Guitar: Capo 1)

1. The sins we com - mit must be washed.  
By His shin - ing, we see one by one.  
When we con - fess, He for - gives, we are clean! The  
sense of life then can be keen.

**Chorus**  
(C) We have a liv - ing Christ! He al - ways gives us life! O - ver -  
com - ing life! Tran - scend - ing life!  
We just co - op - er - ate! Don't e - ven hes - i - tate! We al -  
low Him to have His way in us!

2. The world, we cannot overcome!  
But our spirit, is powerful! Strong!  
We exercise, call His name, breathe Him in!  
The world then has no chance to win!
3. The self and the flesh have to go!  
My natural ability too!  
All independence, division must flee,  
The work of the Spirit frees me!
