

Eternal Blessing

Experience of God — As Blessing

1. From God Tri - une comes bless - ing e - ter - - nal;
Fa - ther, Son, Spir - - it, our por - tion free;
What gift of fa - - vor, what stay - ing pow - - er;
What wealth of grace, O what per - fect peace!

2. Eternal Father, source of each blessing,
Bestowed in Christ from heaven above;
In Your name keep us, with Your hand hold us;
From evil shield us, safe in Your love!
3. Eternal Son, rose as the morning sun;
God in the flesh brought glory and grace;
Be gracious to us, do shine upon us;
Grant us Your presence, show us Your face!
4. Eternal Spirit, countenance lifting,
Dispensed into us as joy and peace;
Your eyes assure us, Your gaze approves us;
Your smiling visage, our guarantee!
5. Praise to You, Father, for Your mighty care;
Praise to You, Son, for Your wondrous grace;
Praise to You, Spirit, for measureless peace;
Blessing eternal, ours to embrace!
6. The love of God, the grace of Christ Jesus,
Fellowship of the Spirit divine;
Be with us all, and be with us ever;
Blessing and praise shall now intertwine!
