

Blend us, Lord, Blend us, Lord

The Church—Her Building

1. Blend us, Lord, blend us, Lord, 'til we are in one ac-cord. Hal-le - lu-jah— the saints go - ing on!
Blend us, Lord, blend us, Lord, o-pen hearts we can af-ford. Hal-le - lu-jah— the church-es go
on! As the mem - bers of His or-gan-ic Bod - y, We need the oth-ers to go on.
As lo - cal church - es, We do al-so need One an - oth-er for our go - ing on.

2. Build us up, build us up, as with one another sup'.
Hallelujah—the riches of Christ!
Build us up, build us up, as with You we all rise up.
Hallelujah—the living Body!
As blended members
Of His one Body,
We, the Lord do glorify!
His Light does shine!
Reviving Life does flow!
And we do see that Satan is crushed!

3. Bless us, Lord! bless us, Lord! All prevailing is Your blood!
Hallelujah, we're built up in love!
Consummate! Consummate! All Your purpose consummate!
Hallelujah—"The fullness thereof!"
The gates of Hades
Never will prevail
Against the builded up church!
When we are one,
The enemy is done!
The Lord Jesus is able to come!

4. Intercede! Intercede! For Your people, meet Your need!
Hallelujah! Get Your Bride this way.
Have Your way! Have Your way! Do a building work we pray—
Hallelujah—in our life each day!
Through the cross of Jesus,
By the Spirit filled,
We are blending, building up!
We all are one!
We are...Jerusalem!
Dear Lord Jesus, we ask You to come!
