2. On the altar now we lay  
Soul and body, mind and will;  
All the evil passions slay,  
Come, and every corner fill.

3. Now the sacrifice we make,  
Though as dear as a right eye,  
For our blessed Savior's sake,  
Who for us did bleed and die.

4. Now, by faith, the gift I claim,  
Bought for me by blood divine:  
Through the all-prevailing Name  
All the promises are mine.
