2. We think of the Man in Thy presence,
Set down there, exalted as Head;
Once raised by the might of Thy power,
When numbered along with the dead.
3. We think of the glory that chose us,
'Twas Thine, blessed Father, the Source;
The glory of love that redeemed us
Through Jesus, the Man of Thy choice.
4. As marked out beforehand for sonship,
We praise now the glory of grace
And bow in Thy presence and worship,
As conscious, in Christ, of our place.
