1. World - ly peo - ple who be - held You Saw a com - mon Naz - a - rene,  
You were slight - ed and made light of Till Your death at Cal - va - ry;  
Brought to naught, from man's per - spec - tive, End - ed was Your his - to - ry.

2. But how different the reaction  
In the heav'ns, at Your ascent;  
Glorious God, for Your obedience,  
Had all heav'nly hosts at hand  
To receive You and extol You  
As the universe's Head.

3. God already has established  
You as Christ, as Lord of all;  
No one now in heav'n or Sheol  
Can't Your special name recall,  
Not a creature disobedient  
Who will not before You fall.

4. How can I be so familiar  
With the scene so far on high?  
God, as proof, has sent His Spirit,  
Thus the facts to verify;  
He's become my gift within me,  
Christ's enthronement proved thereby.

5. Spirit in me, manifested,  
Jesus' Christhood proof affords;  
Since He's really God's anointed,  
Then in me the Spirit's poured.  
Fact eternal, fixed and constant,  
That the Nazarene is Lord!

6. Jesus is the Lord! Forever,  
Immutable reality!  
I'm infused by God the Spirit;  
What a gift, this fact, to me!  
Now I can but praise and bless Him  
For the Spirit's gift so free.
