2. The Lord has regenerated me,
Calling me out of Satan's kingdom into Him;
Day by day, He is renewing me,
Sanctifying, transforming me to be like Him.
3. Lord, help me to live a God-man life
At home, with the saints, or wherever I would be;
Taking Christ, living Christ as my life
Exercising forbearance without anxiety.
4. I want to be an overcomer
O Lord, I consecrate myself to You right now.
O Lord, make me an overcomer—
Today and for the rest of my days here on earth.
