

# God's heart's desire, a house on earth

Consecration — For God's Building

(Guitar)

1. God's heart's de - sire, a house on earth, Mu - tual a - bode of  
God and of man; For He is pleased, that we may be, Joined with our God, a  
min - gling to be A tem - ple where His in - terests are met, Yet while here we rest,  
who for God will care? So dear Lord, we bear, Thy build - ing and plan, Work - ing with Thee, Thy  
will to ful - fill! (C) Dear Lord, we waste our - selves up - on Thee, All our lives for Thine e -  
ter - nal will! For Thy love, Lord, con - strains us all, To make way for Thy house and Thy  
will! Let's a - rise! It's time to build! For His dwell - ing place we give  
all! Stand - ing firm, ful - fill - ing the plea - sure of God, New Je - ru - sa - lem!

2. For God's dispensing, we have been,  
Made into vessels open to Him;  
His element is wrought in us,  
Making us living stones, corporately;  
Being saved from self, the flesh and its will,  
It's no longer I, but Christ lives in me;  
Members of the Body, built up in love,  
Joined to be one, for Him corporately.

3. Lord, as a living sacrifice,  
We will be perfected by Thee  
To build Thy Body, seek increase,  
Lord, the commission now we receive  
In spirit, soul, we're one for His goal,  
The lampstands to spread His recovery,  
A local being, a global seeing,  
Gospel in hand, the kingdom we'll preach!
