Experience of God — As Blessing

(Guitar)

1. Thou blessed and kept us in Thy love, Drawn from the world and brought a -  
bove. Thy glo - rious face hath shined on us, Grace flowed in-to our hearts at  
last! Then Thou lift - ed Thy coun - te - nance. Con - firmed with us what's in Thine heart  
Three - fold bless - ing for three - part man! O what a bless - ing we can  
stand! (C) Je - sus Lord, we give our - selves to Thee And with Thy bless - ing we will serve  
Thee. No long - er for our - selves a - lone, But for Thy Church, we will go on.  
Bless us Lord, till we're ful - ly blessed Make us per - sons blessed to bless.

Chorus

2. Our doubts and fears are now all gone.  
We're for Thy purpose and Thy plan.  
Whatever may befall us—  
The Great I Am, we fully trust.  
Where'er Thou wilt send us, we'll go.  
Whate'er Thou dispensed, we'll outflow.  
Beget, nourish, perfect, and build,  
Till Thy divine plan is fulfilled.

3. We stand before Thee face to face,  
Exhibit how we ran the race.  
Now we're not here with empty hands,  
But filled with Jesus and Thy brands.  
Thy love, and grace, and fellowship—  
All for the Body, not for 'self.  
Threefold blessing for three-part man  
Behold the blessings, here we stand!
