

# God has Shepherded Me

Experience of God — As the Shepherd

(Guitar)

1. He set me a - part from my moth - er's womb.  
 He pre - pared my heart to re - ceive His word.  
 He came to me in love as the Bride - groom.  
 He spoke to me— His love - ly voice I heard.  
 Though I was far off in dark - - ness,  
 He caused me to turn by His kind - - - ness;  
 A lost son of dis - o - be - - dience  
 Was led to re - pen - tance By the rich - es of God's kind - - ness!  
**Chorus**  
 (C) God has shep - herd - ed me  
 All my life to this ver - y day. The  
 Lord is my Shep - - - herd.  
 All my life I have lacked noth - ing.

2. He preserved me and arranged my daily walk.  
 He patiently works to transform my soul.  
 He brought me to the church, the one true flock  
 Here we enjoy Him and His name extol.  
 Though there were times in the valleys,  
 I did not fear for He was with me.  
 He used every joy and distress  
 To conform and to bless,  
 Looking back now I can confess...

3. I onward run for I must finish my course,  
 As long as He grants me more days to live.  
 He supplies me with the grace to be my force.  
 He's always near, full of more life to give.  
 There is not much time remaining.  
 While I have breath He's sustaining.  
 As I follow Him and don't stray,  
 Then I know in that day  
 By His mercy I will still say...
